

# WNBA/BOSTON

WNBA/Boston is the local chapter of the Women's National Book Association.  
[www.wnbaboston.org](http://www.wnbaboston.org)

Founded in 1917 in response to discrimination against women in the book industry, the WNBA today brings together publishers, writers, editors, designers, illustrators, librarians, literary agents, and other book lovers. It has chapters nationally.

**National Reading Group Month (NRGM)** was launched in 2007 to honor the Women's National Book Association's 90<sup>th</sup> anniversary. It celebrates the joys of shared reading and furthers WNBA's commitment to promote a love of reading, literacy, and women's careers in the world of books.
