National Reading Group Month

It's almost October and that means it's time for National Reading Group Month. What does this mean for you? It means it's time to celebrate the book group.

It means here at the library, we are having some informal, drop in, try it out book talk sessions. If you've read a book that you want to share, or want to find other books to read, come in and talk about your reading. Maybe you'll find something completely new or rediscover an old favorite. Maybe you've thought about being in a book group but are unsure, what to expect, this is an easy way to find out. And then if you like the discussing a book thing, the library has 2 groups that you could join.

So stop by, **Wed. Oct 3 & 24 at 7 pm and/or Thurs. Oct 4 & 25 at 2 pm** and talk about your latest read or your favorite read. Hope to see you there.
