JET writes "[Women's National Book Association](#) is pleased to announce the launch of National Reading Group Month (NRGM) in October 2007 to mark the 90th anniversary of the Association's founding.

*"Part of WNBA's mission is to promote reading and the value of books, so we are proud to organize the first-ever National Reading Group Month. Reading groups inspire, transform and educate. They foster community and instill an appreciation for the written word," says Laurie Beckelman, president of the WNBA. "*

*So group up, people and read books!*
