Posted on behalf of Nancy Dowd, Sharon Rawlins and April Judge

Librarians invited to author event : <http://www.sjrlc.org/PDF/monmouth.pdf>

Please join The New Jersey Library Association, New Jersey State Library and Monmouth County Library for a special presentation by two nationally known authors, Beth Gutcheon (Leeway Cottage) and Jamie Saul (Light of Day), to celebrate National Reading Group Month which is sponsored by the Women's National Book Association each October. Joining the authors will be Barbara Mead, publisher of Reading Group Choices.

The event will take place October 30 at 7 p.m at at the Monmouth County Library, 125 Symmes Drive, Manalapan.

The cost is \$10. A book signing will follow the presentation.

To register email April Judge at [judge@bccls.org](mailto:judge@bccls.org).

"Librarians have the chance to get involved in celebrating this special month listening to two featured authors. We hope that this event will generate enthusiasm for National Reading Group Month so that they can plan and present special programs next October.

Many libraries already get the periodical Reading Group Choices, published by Barbara Mead. It is a wonderful resource for libraries looking for book selections for their reading groups because it includes titles just for adults and also adult books that can be used for teen reading groups too. There are discussion questions included for each title. If your library does not have it, this program would be the perfect opportunity to find out more about it.
